Certain state laws and Good Samaritan Health System policy require criminal background checks on new volunteers and additional Child Abuse History Clearances for certain other volunteers. You will be placed in a volunteer position within the Good Samaritan Health System on a provisional basis pending the results of these volunteer background checks. The Human Resources representative will request all the appropriate background checks for you based on the information you have provided above.

If you have been convicted of *or* pled guilty to any of the prohibited offenses listed on the back of this form, your volunteer opportunity with the Good Samaritan Health System may be jeopardized. Please review the list, carefully read the paragraph below, then sign and date this form.

I, _____, have reviewed the list of prohibited offenses on the back of this form and affirm that I have not been convicted of or pled guilty to any of the crimes listed. I hereby authorize the Good Samaritan Health System to submit a criminal background check request(s) and Child Abuse History Clearance as outlined above, on my behalf. I understand that my volunteer position within the Good Samaritan Health System is provisional for 30 days (90 when an FBI check is required). Should my background check reveal conviction or a guilty plea entered for any of the listed offenses, I will be immediately dismissed from my volunteer position with the Good Samaritan Health System. I also understand that I have a responsibility to notify THE Volunteer Office in the event that in the future I am convicted of or plead guilty to any of the prohibited offenses.
